

SHERDAN BARTOLATA

Lot 20 A Blk. 5, Peñafrancia Hills, Brgy. Cupang, Antipolo City · 09319252005
sherdanbartolata1@gmail.com

Hardworking and dedicated engineering student with good communication skills looking to showcase my strengths in science and technology field.

EXPERIENCE

JANUARY 2016 – MAY 2019

SERVICE AGENT, JAK COMPUTER SERVICES

My job is to give computer services to the customers like print and photocopy documents, make an ID picture, edit pictures and videos, etc. I was able to build my knowledge and skills in tech because of this job.

OCTOBER 2020 – DECEMBER 2021

SALES AGENT, JENENA'S STORE

I was a salesman at this grocery store. Because of this job, I was able to improve my alertness and communication skills as I interact with the customers a lot.

EDUCATION

APRIL 2013

ELEMENTARY GRADUATE, DAPLIAN ELEMENTARY SCHOOL, MASBATE

I got First Honorable Mention award when I graduated in Primary School.

APRIL 2019

SECONDARY GRADUATE, ANDRES CLEMENTE JR. NAT'L HIGH SCHOOL, MASBATE

I graduated With Honors and with Best in Mathematics award when I graduated in High School.

OCTOBER 2022

ASSOCIATE'S DEGREE, POLYTECHNIC UNIVERSITY OF THE PHILIPPINES, MANILA

I graduated from the course Diploma in Mechanical Engineering Technology and was able to acquire necessary technology skills including more computer literacy skills.

SKILLS

- Effective Communication Skills
- Good at Handling Pressure
- Computer Literate
- Creative Problem Solving
- Emotionally Stable
- Good Critical Thinking Skills

ACTIVITIES

Because of my curiosity in technology, I became knowledgeable in different machines like computer, mobile phones, and other computing machines. I feel fulfilled whenever I help other people about their tech problems and explain to them the principles and basic troubleshooting procedures that is suitable for their concerns. I'm still looking forward improving my knowledge and skills in computer.
